

Lighthouse Management Firm  
Delaware Division

Recent CLOGGED TOILETS (Repair Cost \$125 - \$250) AND SEWER LINE BACKUPS (Repair Cost \$350 - \$1,000) have been caused by things being flushed down the toilet which do not dissolve in spite of any claims that they may be "flushable". TOILET TISSUE is the ONLY item, which should be flushed down the toilet.

## Yes Toilet Tissue

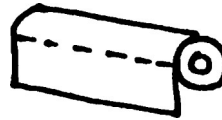

We have pulled back the following items clogging toilets and sewer lines.  
PLEASE:

No Tampons 

No Kleenex/ Facial Tissue

No Baby Wipes

No Paper Towels

No Oranges

No Toys

No Fish

NO Pens/ Pencils 

No Toothbrushes 

No Drivers Licenses

No Wads of Toilet Tissue

AVOID being charged for the REPAIR COSTS. Inform every family member and prevent future clogged toilets and sewer line backups.
